CIRCULAR Nº 32/10

COMMITTEE OF THE TRAINING & RESEARCH DEPARTEMENT

The Training & Research Department has been developing the training of Golf staff in a more specific and wider way, never loosing the aim of improving its work and expanding its objectives. Much of the success of its work is a consequence of the wide ranging composition of this Committee, which involves all those who are agents and actors in this training.

For that reason, always looking for the improvement of the working methods, it was determined the need to expand the Committee, by including two more entities, directly connected to some of the fundamental areas of the National Golf: the National Golf Coaches Association and the Portuguese Golf Referees Association.

Therefore, we are pleased to inform the inclusion of four new members:

- Voting Member: Jorge Goeben (representing the Portuguese Golf Referees Association);
- Voting Member: João Coutinho (Representing the Portuguese Golf Referees Association);
- Voting Member: Mário Jorge Silva (Representing the National Golf Coaches Association);
- Voting Member: Lutero Martins Ferreira (Representing the National Golf Coaches Association).
