

PROTECTION MEASURES AGAINST COVID-19

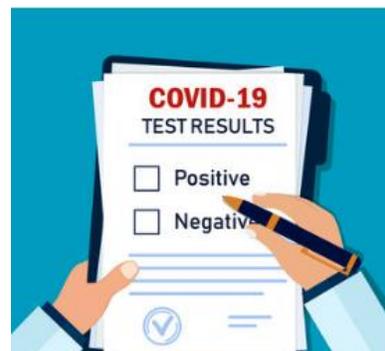

1. GENERAL GUIDELINES

1. The FPG organizing committee present at the tournament will undergo a preventive test before the start of the competition.
2. The number of companions per player is limited to 2 (which will have to be the same throughout the tournament) to avoid crowds and facilitate the development of the event in safe conditions for everyone.
3. It is strongly recommended to reduce the number of close contacts at all times to a maximum of 4 people. Establishing a contact bubble is considered the most effective way in reducing contagion and facilitating traceability.
4. Players and team delegations (Captain, Coaches, caddies and Officials), as well as, must present at check-in before a negative COVID-19 Test (Antigen or PCR), made 72 hours before your arrival.
5. The players and their companion must also deliver to the tournament office, the **Responsible Declaration** and the **Personal Location Form** duly completed and signed.
6. In the case a player informs the organization that has symptoms compatible with those of COVID-19, the player will be isolated, referred to the nearest Health Center for evaluation, and in the case that

the player tests positive for COVID-19, the health authorities will be immediately informed so that they can proceed according to the current regulations.

7. The organization will place disinfectant hydrogel dispensers in strategic places: tees, next to the water coolers, practice range, putting green, card delivery, entrance to the club facilities, toilets, and any place that the organization considers strategic to ensure the safety of the players.
8. Smoking is prohibited during the conventional round.
9. The local rules and permanent local rules of the FPG, as well as pin positions, will be sent by e-mail and published on the website.

2. DURING THE COMPETITION

1. Score cards will be exchanged between players.
2. The "Recording Area" will be protected with screens to ensure health safety.
3. The use of rakes is allowed in the bunkers, provided that the player is disinfected with hydroalcoholic gel before and after use.

4. The capacity of the practice areas will be limited to avoid crowding and to guarantee social distance.
5. The starting tees will have three points located with 2 meters distance, so that the players can place themselves with their bags and maintain a good social distance.
6. **According to Portuguese law the wearing of a mask is mandatory on all occasions, except during the game and practice.**

Failure to comply with these rules will mean:

First breach: Warning.

Second breach: Disqualification

The rules currently in place for health safety may change at any time as stipulated by the responsible Administrations for this purpose.

3. HEALTH SAFETY RULES
