FEDERAÇÃO PORTUGUESA DE GOLFE

To all Golf Clubs and affiliated Players

Lisbon, 23rd February 2007

CIRCULAR Nº 03/07

Desistance or absence in National Competitions

The registration of players in National Competitions and later desistance or absence, together with the limited capacity of the golf courses, determines the impossibility for other players to participate, because the players that gave up did not informed their desistance in time.

Therefore, by considering this situation worrying and wrong for all the players' interests, the Championship and High Performance Committee of the Portuguese Golf Federation (CCAC), kindly requests to all Golf Clubs and Players their special attention to the following procedures:

1. On any National Competition, after the registrations are closed, a cancellation will only be accepted by the Portuguese Golf Federation, if the PGF was informed before the publication of the Draw on the website (www.fpg.pt), which is done until the day before the beginning of the Competition.

2. If the payment of the corresponding registration has not been paid in the meantime, it will remain in debt.

3. If any player desists after that date or does not show up, he will have to pay the fee corresponding to that registration to the Portuguese Golf Federation, even if the registration was in terms of the Competition Rules.

4. Any player in this situation cannot register in any other competition, without paying the registration fee in debt.

This Circular will revoke any other communication about this subject, published before by the Portuguese Golf Federation.

Best Regards,

Portuguese Golf Federation

General Secretary
