FEDERAÇÃO PORTUGUESA DE GOLFE

To the Owners and Managers of
Golf Courses and Golf Training Centres

Lisbon, 27 January 2010

CIRCULAR Nº 04/10

INSURANCE - GOLF COURSES AND TRAINING CENTRES

In 2006 (Circular 10/06), the Portuguese Golf Federation informed all owners and managers of golf courses and/or golf training centres about the **compulsory legal obligations, related to civil responsibility and personal accidents insurances.**

However, in the meanwhile the legislation has been altered and revoked, and therefore it is important to inform about the changes that the PGF considers relevant to its associates, namely:

- DL 10/2009, 12 January: Sports Insurance;
- DL 108/2009, 15 May;
- DL 309/2002, 16 February, altered by the DL 141/2009, 16 June – "*Regime Jurídico das Instalações Desportivas de Uso Público"* - and DL 268/2009, 29 September);

These legal documents will be available in the Federation's website: www.fpg.pt, within the deadline of one month.

Best Regards,

Portuguese Golf Federation

Pedro Vicente
General Secretary
