Lisbon, 15 March 2010

CIRCULAR Nº 10/10
DATAGOLF PITCH & PUTT

The Federation would like to inform that within the scope of Pitch & Putt development by the Portuguese Golf Federation, the Pitch & Putt Datagolf software is now available.

The affiliated Clubs and Institutional Members with the corresponding Handicap Authority and "Valid Rounds" statute, which intend to develop Pitch & Putt, should require the extension of the statute to Pitch & Putt and also request the Pitch & Putt Datagolf to the Handicap and Course Rating Committee of the Portuguese Golf Federation, in the Algarve Delegation office (handicaps@fpg.pt).

We also take the opportunity to inform that Pitch & Putt players must be affiliated through the corresponding Pitch & Putt Affiliation Club, in the P&P Datagolf. It is then requested a new affiliation number in the Portuguese Golf Federation for P&P, which handicap management will be different from the EGA Handicap management.

The Pitch & Putt Annual Fee, which is foreseen in the Circular 26/2009, is from now on in place.

Best Regards,

Portuguese Golf Federation

Pedro Vicente
General secretary
