CIRCULAR Nº 27/10

NEW WEBSITE OF THE PORTUGUESE GOLF FEDERATION

The Portuguese Golf Federation is pleased to present the new website, which has a new look and allows a faster and more efficient research of its contents.

More than a redesign of the graphical image, it is our intention that the PGF's website may be a new Internet navigation experience, which combines a more dynamic and updated image and functionality with an intuitive and relevant search for the website visitors and anyone who wishes to learn more about golf in Portugal.

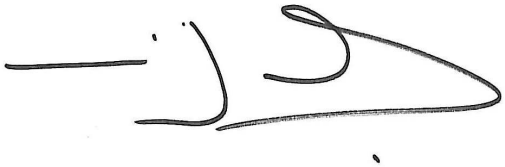

A great number of services and information is now available in the new website, to all interested in the practice of Golf, such as the history of golf, championship scores, workshops, as well as special areas for media and players.

It is our main objective, through this new website, to bring the Federation closer to the national and international Golf community.

Please visit our website at www.fpg.pt

Best Regards,

Portuguese Golf Federation
